

# Monographs Pre-Prints

## Pre-print Editions

The below PDF files are pre-print editions of previously accepted manuscripts for publication in the *Monographs of the Society for Research in Child Development*. It should be noted that these are unedited versions of the articles and may differ slightly from the published versions. A link to access the fully-published issue accompanies the pre-print document.

If you are an SRCD member and would like to access the publications, please [log in to your SRCD member account](#).
