[MEET THE SPEAKERS](#)

Hear from a panel of SRCD U.S. Policy Fellow alum, Drs. [Nneka Ibekwe-Okafor](#), [Marisa Morin](#), and [Tanya Tavassolie](#), on this immersive, once-in-a-lifetime program opportunity, in time to apply for next year's cohort. You will learn why 100% of last year's Policy Fellows said they would recommend this program to others. This webinar will help both prospective applicants and graduate student advisors and mentors hear more about the Fellowship, including who should apply, and tips and tricks for our new application process. We will share how we are focusing on diversity, equity, and inclusion in our program, and we will bust common myths.

In the 45 years SRCD has run this program, we have placed over 240 fellows in 20 state capitals and Washington, D.C. Please join our panel as they discuss how the fellowship has impacted their career path and why it is so valuable. For more on the Fellowship, including application details, visit our [webpage](#).

Applications close on January 7, 2024.
