52nd Annual Meeting of the International Society for Developmental Psychobiology (ISDP)

The 52nd Annual Meeting of the International Society for Developmental Psychobiology (ISDP) will be held October 16-18, 2019, at the Swissôtel Chicago, as a Satellite Meeting of the Society for Neuroscience. Researchers interested in the development of behavior in all organisms including man, with special attention to the effects of biological factors operating at any level of organization are encouraged to participate. Abstracts for oral or poster presentation of research results and theory in the area of Developmental Psychobiology as well as student/postdoc travel award applications should be **submitted by June 1, 2019**. The ISDP strongly supports and encourages young scientists with travel awards, networking and meeting events designed specifically for the students and postdocs in the field.

Dates: October 16-18, 2019

Abstract Deadline: June 1, 2019

Location: Chicago, Illinois, USA
