Science-Based Innovation Training Opportunity – Harvard Center on the Developing Child

A promotional banner for a training event. It features a small photo of people in a meeting on the left. The main text is in orange and black. The event title is 'Science-Based Innovation Training: Reimagining Program Development & Evaluation'. Below it is the invitation: 'Join us for a one-day training to help programs increase impact for children and families'. The date and time are 'Tuesday, June 4, 2019, 9am-5pm ET, Cambridge, MA'. Logos for 'Frontiers of Innovation' and 'Center on the Developing Child HARVARD UNIVERSITY' are at the bottom right.

**Science-Based Innovation Training:
Reimagining Program Development & Evaluation**

Join us for a one-day training to help programs increase impact for children and families

**Tuesday, June 4, 2019
9am-5pm ET
Cambridge, MA**

Frontiers of INNOVATION

Center on the Developing Child
HARVARD UNIVERSITY

Want to discover how to apply the science of early childhood development to programs for children and families in a new way that results in powerful change? **Join the Center on the Developing Child at Harvard University for their next one-day training on June 4 in Cambridge, MA.** You'll receive an introduction to the IDEAS Impact Framework (TM), their approach to innovative program development and evaluation, and learn:

- How to develop a precise [theory of change](#)
- How to create [materials](#) that will ensure effective implementation of your program
- How to [evaluate](#) your program for continuous learning

This is also a great opportunity to meet Center staff and [Frontiers of Innovation](#) leaders, and to connect with others who are passionate about supporting the healthy development of all children.

Event Date: June 4, 2019

Registration is on a first come, first served basis and will close on **May 29, 2019**

Questions and comments should be sent to [Jessica Nelson](#).
